COMMITTEE MISSION STATEMENT

We still need this for an update — what is the one sentence that defines why Finance exists within E100?

LEADERSHIP — 2026-2027

EXEC BOARD LIAISON

Brandon Whatley

This playbook is intentionally sparse. Finance is a new committee in the playbook — the full scope of what this committee owns, how it operates, and what its deliverables are needs to be defined in conversation with Austin Byers-King and Brandon Whatley before this section can be built out.

WHAT WE KNOW

1 Chair. Austin Byers-King.

Exec Board Liaison: Brandon Whatley.

Everything else — scope, swim lanes, deliverables, cadence, tools — is still to be defined.
