MEETING CADENCE

GBM + All Chairs

P&G owns meeting structure and
agenda. CR owns GBM venue. Both
serve the meeting.

P&G is the org's institutional backbone. Programs come and go. Chairs change. Exec Boards turn over. Process & Governance ensures E100's standards, elections, brand, and agreements survive every transition. If it's a rule or a document that governs how E100 operates – P&G owns it.
